

## **PRESS RELEASE**

Myers Protection Services, a locally-owned alarm company serving all of Indiana, is pleased to announce the acquisition of Independent Phone Shop based out of Greenfield.

Independent Phone Shop has been in business for over twenty years. The company works with new home builders to install alarm systems, telephone and cable wiring, surround sound and home theater systems.

The acquisition adds several hundred monitoring customers and expands the services offered by Myers Protection Services. The new customers will benefit from local monitoring services and the over 100 years of combined experience of Myers' service technicians.
